J. C. McCarty
M. C. Mott

ANNOUNCEMENT

IN presenting to the Shorthorn breeders for their approval and purchase, this our Fourth Semi-Annual offering at public sale from our herd of selected cattle, we are gratified to know that this consignment is superior in character and finish to any offering which we have previously placed before you.

From a careful study of the pedigress tabulated in this catalogue, together with the portraits accompanying many of them, our fellow breeders will appreciate the force of the above assertion.

Knowing, that to make an offering of a kind which will appeal to men who have made a careful study of blood lines and breed character, that we must place in this consignment many individuals which we would otherwise retain for the upbuilding of our own herd, we have catalogued many animals that will strongly appeal to the discriminating buyer, and which will be a credit to the herd to which they will go, no matter where located.

Land values are advancing rapidly but no man can make a better investment nor one that will give him greater returns than to buy a few head of this offering.

RHYNAS, SONS & WELLS

THE RHYNAS HOME IN STOCKPORT

The old Day farm, where our sale will be held, was established in 1850, and is the oldest pure bred Shorthorn breeding institution in Iowa. This farm and its heritage has come down through the years to Rhynas, Sons & Wells. The first Shorthorns shown at the first Iowa State Fair, came from this farm in 1854.

TERMS AND CONDITIONS OF SALE

GUARANTEE—We believe all animals in the catalog to be breeders. Cows sold with calves at foot or showing safe in calf are considered breeders, and no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial, an animal of equal value will be given in its place. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should any fail to breed he must be returned to us, and if he fails to prove a breeder for us, another of equal value will be given in exchange. Complaints must be filed within six months from date of sale.

PEDIGREES—A transfer certificate of registry in the American Shorthorn Herd Book will be furnished for every animal, with the exception of the young calves sold with the dam, and there will be furnished with these a pedigree in the application form, ready for registry.

TERMS—Cash or short time note bearing 8 per cent interest. Anyone not personally known to us desiring to give note for purchase, please bring late bank reference. All stock will be loaded on cars after sale without trouble or cost to the purchaser. All cattle will be tuberculin tested to conform with the different state requirements before the sale.

LOCATION—Stockport is 35 miles northwest of Ft. Madison and 35 miles southeast of Ottumwa, Iowa, on the Ft. Madison branch of the C., B. & Q.; also 16 miles southeast of Fairfield and 22 miles southwest of Mt. Pleasant.

TRAINS—Train leaves Ottumwa from Vine street at 7:30 a. m., and leaves Ft. Madison at 9 a. m., each day of sale. Special arrangements have been made for hotel accommodations at Ottumwa and all visitors will be taken to Ottumwa by special train the evening of the first day's sale and brought back to Stockport the next morning.

Special arrangements have also been made for shipping accommodations and special trains will be in waiting in charge of C., B. & Q. officials, so there will be no delay in loading of stock.

OTHER SALE DATES—May 29, Jos. Miller & Sons, Granger, Mo.; May 30, W. Preston Donald, Clio, Iowa; May 31, "J." Farms, Blakesburg, Iowa. Breeders will find it to their interest to attend these sales as they are made up of splendid animals.
